

Celebrating National Coming Out Day

Northwell Health embraces all who identify as, and the allies of the Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) community.

Recognizing the unique health challenges faced by members of the LGBTQ community, Northwell Health established EXPRESSIONS, a Business Employee Resource Group (BERG). The mission of EXPRESSIONS is to enhance workforce engagement and promote awareness of the LGBTQ community through education and development. The group focuses on workforce engagement, marketplace and community outreach to foster a safe and inclusive environment across Northwell Health.
