The Human Rights Campaign, a nonpartisan organization working at both the federal and state levels, represents a grassroots force of more than 3 million members and supporters nationwide. As the country's largest lesbian, gay, bisexual, transgender, and queer (LGBTQ) civil rights organization, HRC envisions an America where LGBTQ people are ensured of their basic civil rights, and can be open, honest, and safe at home, at work, and in the community. HRC effectively lobbies Congress, mobilizes grassroots action in diverse communities, invests strategically to elect a fair-minded Congress, and increases public understanding through innovative education and communication strategies.

The volunteers that make up HRC Greater NY help to work throughout New York, Long Island, New Jersey, and Connecticut to ensure local, community involvement around LGBTQ issues/opportunities. The HRC Greater NY Golf Outing & Dinner --- in our 16<sup>th</sup> year--- has been the premier Greater NY LGBTQ sporting event over that time. We had a record number of attendees – 200! - last year and the energy was amazing! We have great opportunities for corporations, companies, and individuals to partner with our team through sponsorships, volunteer engagement, auction donations, and program book advertising.

We offer our partners promotional support and acknowledgment of their involvement – we can't do this great event without them and will do everything possible to ensure that promotion of their commitment to the LGBTQ community is highlighted prior-to, and throughout, the tournament.

Please take some time to review our partnership opportunities and feel free to reach out to one of our Co-Chairs or HRC National contact:
