\*Since the project began in 2007, the [All Children – All Families Benchmarks of LGBT Competency](#) have been expanded to include best practices in serving LGBT youth in out-of-home care. Agencies with an asterisk (\*) after their name have met these benchmarks and, depending on the services they provide, are either “Leaders in Supporting & Serving LGBT Youth and Families” or are “Leaders in Supporting & Serving LGBT Youth.” All other agencies are “Leaders in Supporting & Serving LGBT Families.”
