Through Adoption

Forever Families Through Adoption (FFTA)

is a Hague Accredited, New York and Connecticut-authorized, not-for-profit, adoption placement agency and resource center founded on the belief that every child has the right to grow up in a loving, nurturing, secure and forever home.

The goal of FFTA is to find a home for every child eligible for permanent adoption, regardless of age, racial or ethnic background, or physical or emotional challenge.

At FFTA, we treat all people with the respect and compassion they deserve, regardless of race, religion, gender identity, marital status, sexual orientation, age, nationality or disability. We take great pride in representing many single and same sex clients. FFTA is here to ensure that your dream of building a family through adoption becomes a reality.

Joy S. Goldstein, LCSW, ACSW, the Co-Founder and Executive Director of FFTA, is an adoptive mother of three boys and has been working with her husband, Michael, for 25+ years as an Adoption Consultant. FFTA is staffed by caring and experienced social workers, attorneys, adoptive parents, and adoptees who are here to assist you.
