

# HEI 2018 LGBTQ Healthcare Equality Leaders

THIS IS THE SECOND YEAR OF THE Healthcare Equality Index's new criteria that raised the bar on what it takes to earn HRC's "LGBTQ Healthcare Equality Leader" designation. HEI participants are given scores in four criteria that represent how many policies and best practices from each section they have implemented. Participants that receive the maximum score in each section and a total score of 100 points earn the coveted status of "2018 LGBTQ

Healthcare Equality Leader." **In this year's report, 67% of participants meet the more challenging criteria and earn this designation.**

This list features the 418 HEI 2018 LGBTQ Healthcare Equality Leaders. In addition to being celebrated in the HEI report, LGBTQ Healthcare Equality Leaders receive a special logo and a toolkit of resources for outreach to LGBTQ residents in their service area.
