

EQUALITY PLEDGE FOR INDIVIDUALS

I believe that diversity is our strength and that all Alabamians deserve fair and equal treatment. If Alabama wants to be competitive on a national and international level we must support all of our diverse communities. It's time for LGBT inclusive non-discrimination policies and practices in the workplace, in housing, and in public accommodations.

It's time to ensure equality for all Alabama employees, residents, visitors and consumers. It's the right thing to do. It's good for business. It's good for the business of Alabama.
