

# PRIDE PENNANT BANNER

Celebrate your Pride Inside by creating a colorful (and simple) Pride Pennant Banner. All you need are scissors, some yarn (string or ribbon will work as well), clear tape, and crayons!

## SUPPLIES

Scissors  
Yarn (String or ribbon will work as well)  
Clear tape  
Crayons

## DIRECTIONS

1. Print as many of these sheets as you'd like. The more pennants you create, the longer your banner!
2. Color in your pennants any way you'd like: rainbows, identity flags, other doodles.
3. Cut out your pennants
4. Use clear tape to attach your pennants to the yarn or string

**Share your completed banner with us using the [#PrideInside](#) hashtag.**
