

How to Register for The National LGBT Health Education Center Webinars

Before registering for specific webinars, you must first create an account with The National LGBT Health Education Center. [Click here to go to the New User Registration Page.](#) **For HEI credit, you MUST complete the entire form.**

If you already have an account, when logging in you will be prompted to update your information so that you can receive HEI credit. Please take the time to **enter your facility ID as noted below.**

The screenshot shows the 'New User Registration' page of The National LGBT Health Education Center. The page includes a navigation bar with links like Home, About Us, Education, etc. The main content area is titled 'New User Registration' and contains several sections: Account Information, Personal Information, Organization Information, and a section for HEI credit. Callouts are placed over the form to provide instructions: a green box points to the password field with the text 'Passwords must be a minimum of 6 characters long.'; a red box points to the HEI Facility ID field with the text 'Enter the Facility ID provided by your organization. If you do not have the Facility ID, use the [lookup tool](#) to find it.'; another red box points to the 'YES' button for HEI credit with the text 'Click YES here'; and a final red box points to the 'Register' button with the text 'To complete your registration, click REGISTER after you have entered all of your information.'
