

MAINE VOTERS DON'T SUPPORT BRETT KAVANAUGH

SENATOR COLLINS: LISTEN TO MAINE VOTERS

“The thing that is important to me about the Affordable Care Act, is that, as it is written, my son is protected against discrimination for having been born transgender. My concern is that if Brett Kavanaugh is confirmed, that those same protections for my child will go away.”

—LAURA, MAINE RESIDENT

“I worry about thousands of LGBTQ Mainers like me having our rights rolled back for decades.”

—TIM, MAINE RESIDENT

“When I heard he wants to overturn Roe v. Wade, I knew this nominee was going to be trouble. Individuals should be making these decisions for themselves, not the government.”

— DONNA, MAINE RESIDENT
