

# STATE LEGISLATORS:

# IT'S TIME TO FULLY REPEAL HB2.

"I said during the start of our practice sessions in Vegas, when asked about HB2, I said **IT'S EMBARRASSING, AND IT'S STILL EMBARRASSING.**"

**MIKE KRZYZEWSKI**, Duke Men's Basketball Coach

"What we have stated is our values are league-wide values in terms of equality and inclusion. That is paramount to this league and all of the members of the NBA family. Those jurisdictions that are considering legislation that is similar to HB2 are on notice that **THAT IS AN IMPORTANT FACTOR FOR US IN DECIDING WHERE WE TAKE A SPECIAL EVENT LIKE AN ALL-STAR GAME.**"

**ADAM SILVER**, NBA Commissioner

"I think it's discriminatory, I don't like it, I don't think we should have it. **I THINK IT'S HARMFUL TO US AND IT'S NOT RIGHT.**"

**ROY WILLIAMS**, UNC Men's Basketball Coach

**"WE BELIEVE IN PROVIDING A SAFE AND RESPECTFUL ENVIRONMENT AT OUR EVENTS** and are committed to providing the best experience possible for college athletes, fans and everyone taking part in our championships."

**MARK EMMERT**, NCAA President
