AUSTIN – Today, the TFN 21st Century Education PAC announced its endorsement of Dr. Eliz Markowitz in the special election for Texas House District 28 to be held this November.

“Eliz is clearly the best candidate to represent the people of House District 28 in the Texas Legislature,” said TFN 21st Century Education PAC Political Director Carisa Lopez. “The release of a secret recording involving House Speaker Dennis Bonnen and one of his top lieutenants further underscores the urgent need for progressive voices at the Capitol who will defend the rights of LGBTQ Texans, support access to reproductive health care and stand up for our local communities. Eliz is that voice for District 28. TFN PAC fully supports Eliz and we encourage the people of HD28 to go to the polls on Nov. 5 and send her to Austin.”

The House District 28 seat was previously held by former state Rep. John Zerwas, whose resignation in September triggered the special election.
