Each year, **Children's Home + Aid** provides Foster Care services to more than 1,000 children who need to be placed in foster homes because their biological families are in crisis and are unable to provide for them.

There are many children who need loving homes. Unfortunately, there are more than 16,000 foster children throughout Illinois and not enough foster parents.

You can make a difference in a child's life by opening your home and heart to a child who needs your loving care.

We are searching for **WELCOMING** homes and **LOVING** parents, regardless of age, race, creed, gender, sexual orientation, gender identity, gender expression, income or educational level.

Partnering with children, youth and families whose potential is at risk to create **HOPE, OPPORTUNITY, and BRIGHT FUTURES.**
