The Human Rights Campaign Foundation and our co-presenting conference partners are excited to present **TIME TO THRIVE, the 7th annual national conference** promoting safety, inclusion and well-being for LGBTQ youth everywhere!

We are making progress on the road to legal equality, yet young LGBTQ people in America still face dramatically heightened rates of discrimination in school, at home and within their community. The impact of family rejection, bullying and the messages they hear about being LGBTQ weigh heavily on our youth. By engaging a broad audience of youth-serving professionals, including K-12 educators, parents and families, mental health providers, pediatricians, religious leaders, recreational athletic coaches and youth development staff (Boys and Girls Club, YMCAs, scout leaders, etc.), we can create spaces in which LGBTQ youth are affirmed, supported and have the ability to thrive.

Time to THRIVE provides a comprehensive professional development opportunity for youth-serving professionals to build awareness and cultural competency, learn current and emerging best practices and gather resources from leading experts and national organizations in the field. The conference is strongly committed to an intersectional approach in all conversations, workshops and keynotes.
